

Name:

Children's
Hospital
LOS ANGELES®

Fast Facts

Founded in 1901, Children's Hospital Los Angeles is the oldest freestanding children's hospital in California.

Mission: We create hope and build healthier futures.

The hospital is dedicated to providing patient- and family-centered care.

We conduct more than 700,000 patient visits per year.

CHLA is ranked among the best pediatric hospitals in the country by U.S. News & World Report.

The Saban Research Institute of CHLA is one of the largest research centers dedicated to children in the Western U.S.
