Aloha Update: Pediatrics®2023 will be held at the luxurious Grand Hyatt Kauai Resort & Spa. Kauai is a tropical paradise of serene rainforests, thousand-foot waterfalls and vast stretches of beach, whose natural beauty rivals that of any place on earth. The Hyatt is located on beautiful Poipu Beach on the southern coast of Kauai and is the Garden Isle's leading resort destination. With a spectacular oceanfront setting spanning 50 acres of paradise, the Hyatt features terraced swimming pools, waterfalls, a salt-water swimming lagoon and white sand beach. The spirit of 'Aloha' is elegantly captured throughout the resort and the lavish Anara Spa offers innovative treatments integrating Hawaiian culture with nature's healing powers. Activities include tennis, golf and a fitness center. For the adventurous, learn of Kauai's unique environment by naturalist-guided hikes and marine awareness dives.

Conference sessions will be held on the mornings of Sunday, October 1 through Thursday, October 5. The conference ends at mid-day each day, leaving afternoons and evenings free for leisure activities.

The conference will provide a comprehensive review of selected pediatric topics for pediatricians, family practitioners, and other health care professionals who care for infants, children and adolescents. Our outstanding faculty will present current clinical challenges and recent advances in selected pediatric subspecialty areas.

Kelly M. Cordoro, MD

Dermatology
