## **Public Announcement of CHLA IBC Meetings**

If interested in attending, scan the code below to add the next meeting to your calendar and email our office for full meeting details.

### **About**

Institutional Biosafety Committees (IBCs) were established under the NIH Guidelines to provide local review and oversight of nearly all forms of research utilizing recombinant or synthetic nucleic acid molecules.

### **IBC Oversight**

Required: When research involves gene therapy or genetic engineering.

Type of Oversight: Protecting human subjects, study personnel, the community and the environment when conducting gene therapy or genetic engineering research

### **Meeting Frequency**

The CHLA IBC meets every other month on the 3<sup>rd</sup> Thursday of that month. Meetings in 2022 will be held in: Jan, Mar, May, Jul, Sept, and Nov from 9:30 a.m. to 11:00 a.m.
