THIRD-PARTY FUNDRAISING GUIDELINES

Register Your Fundraiser
Apply online by completing the community fundraising events application. You must complete and submit your application no less than four weeks prior to your event. Please allow 72 hours after submitting your application to receive a response from the Children’s Hospital Los Angeles Special Events staff. If you would like to repeat the event, you must submit a new application. Upon receiving approval, you are then ready to begin planning your event.

Decide on Your Fundraising Focus Area
Do you want to raise money for a specific area of the hospital or will you support CHLA’s greatest needs?

Create a Budget
It is important to set and keep a budget when hosting a fundraiser. First, determine your fundraising goal and identify all expenses you will incur. Keeping your costs down will ensure a larger contribution to CHLA. To help with planning, please see the budget template on page 5.

Remember, Children’s Hospital Los Angeles will not be responsible for any costs associated with the planning and/or execution of your event.

Promote and Publicize
All marketing and promotional materials bearing the Children’s Hospital Los Angeles name or logo must be approved by CHLA prior to production or distribution.

You will be authorized to use the official name “Children’s Hospital Los Angeles” in conjunction with your event only upon written approval of your application. The name “Children’s Hospital Los Angeles” may not be altered or abbreviated in any way, other than to shorten to “CHLA” after it has first been referred to by the full name.

Publicity for your event may not imply that the event is hosted or co-hosted by CHLA or that CHLA is involved in any way other than as the beneficiary. For example, you should not call an event “the Children’s Hospital Los Angeles Swimathon.” Instead, your event may identify the relationship with CHLA, such as “Smith School Swimathon, benefiting Children’s Hospital Los Angeles.”

Fundraise!
Depending on the type of fundraiser, there are different ways to solicit donations.

- Send emails to your family, friends and co-workers
- Call or meet with individuals that you want to support your event
- Charge admission for an event
- Host a silent auction
- Sell goods or services

See page 3 for more specific fundraising ideas.

After Your Fundraiser
Send a thank you letter to all of your donors, volunteers and fundraiser participants!

All proceeds should be mailed to CHLA, no later than 30 days after the event, to the following address: CHLA Foundation Special Events at 4650 Sunset Blvd., #29, Los Angeles, CA 90027. You may not keep or use any portion of the proceeds as profit or compensation for organizing the event.
ROLE OF CHLA SPECIAL EVENTS

The CHLA Special Events team can provide the following assistance once your event has been approved:

- Support letter that validates the authenticity of the event
- Tax receipts, if applicable
  - We will only issue gift receipts for checks/money orders made out to “Children’s Hospital Los Angeles.”
  - If your donors send their contributions directly to CHLA, you must inform us of the value of any goods or services the donor received in return for the contribution.
  - CHLA will issue gift thank you letters for in-kind donations if you provide complete information for all applicable donors.

CHLA cannot provide the following:

- Funding or reimbursement for event expenses
- Mail/e-mail lists (i.e. donor lists)
- Guaranteed attendance of staff or volunteers at your event
- Prizes, auction items, awards
- Official marketing materials (e.g. flyers, brochures, etc.)

The event host is responsible for applying for and obtaining all necessary government permits and licenses.
EVENT IDEAS

Children’s Hospital Los Angeles has compiled the following list of event ideas to help you get started. The best event is one that best fits your personality, vision and budget. The possibilities are endless, and we look forward to seeing what you plan!

**Battle of the Bands**
Reach out to local bands in your community to compete. Have guests donate to attend the concert, and have the audience pick the winner of the competition.

**Car Wash**
Gather your friends, teammates and coworkers together and wash cars for donations.

**Carnival**
Who doesn’t love a carnival? You don’t even need to invest in expensive rides! Games like bobbing for apples, ring toss and balloon pop are all fun and inexpensive.

**Chili Cook Off**
Recruit friends and family to make their famous chili. Invite guests to make a donation to taste test the different recipes, then donate the proceeds.

**Dodgeball Tournament**
Spectators will get a kick out of watching adults and kids alike compete for fame and glory. Charge admission at the door for spectators. You can also sell concessions to raise more money.

**Garage Sale**
Looking for a great way to get rid of that clutter? Gather all your items you don’t use anymore and hold a garage sale with the proceeds being donated.

**Online Bake Sale**
Set up an online bake sale, and post pictures and prices of the baked goods for all to see. When an item is sold, ship the goodies to the buyer.

**Partner with a Restaurant**
Many restaurants are eager to host fundraising events where a percentage of the money raised will be donated to CHLA.

**Trivia Night**
You can partner with a local restaurant or coffee shop to host a fun-filled trivia night!

**Zumba Party**
Ask a local fitness center to host Zumba lessons for a day. Charge participants a fee to take part in a class and donate the proceeds.

Events must comply with all federal, state and local laws governing charitable fundraising and gift reporting.
SAFE DISTANCE AND VIRTUAL FUNDRAISERS

Hosting an event that creates a safe and physically distant environment is top of mind for people who are living with a rare disease or have compromised health, and now society as a whole is also mindful of these precautions. The ideas below can take place either online or with a limited number of people, while allowing guests to have fun and raise needed support for CHLA.

If you are interested in creating an online fundraising page, whether it is for an individual or a group, please visit CHLA.org/OnlineFundraising.

For more information please contact Theresa Webster at twebster@chla.usc.edu.

Children’s Hospital Los Angeles cannot advance any funds or pay anticipated expenses or reimburse expenses related to the event. If event expenses are greater than the money raised, you are responsible for paying those expenses.
