

CHILDREN'S
ORTHOPAEDIC CENTER

Acute Injury Walk-in Clinic

at Children's Hospital Los Angeles – South Bay

The Sports Medicine team at Children's Hospital Los Angeles – South Bay is proud to introduce our new walk-in clinic for acute injuries on Monday and Wednesday mornings. We recognize that injuries can occur at any time and need to be seen in a timely manner.

Any pediatric or adolescent patient with an acute injury such as a fracture, suspected fracture, concussion, suspected concussion, etc., is encouraged to come in to be evaluated and treated by our team of experts.

Monday and Wednesday mornings, 8 a.m. – noon
(scheduled appointments available in the morning)

Location:

Children's Hospital Los Angeles – South Bay
3440 Torrance Blvd., Suite 100
Torrance, CA 90503

Contact: 310-303-3890

- No appointment necessary during walk-in hours
- X-ray imaging on-site
- Insurance, cash and credit cards accepted
