

Join a WebEx Meeting via Internet Browser

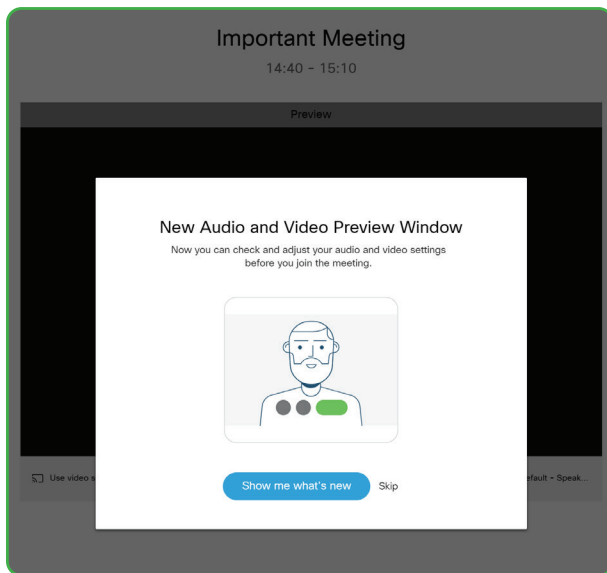

Join a meeting from an email invitation:

- 1 Open the meeting invite and click **Join meeting**.
- 2 Your meeting information will open in a new web browser window. Click **Join from your browser**.
- 3 Enter your information, then click the **Next** button.

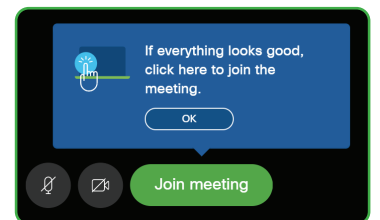

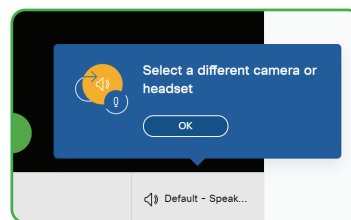

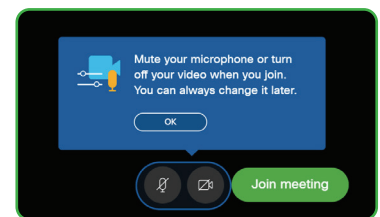

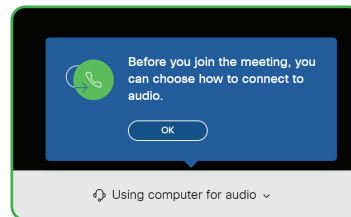

Audio and Video Preview Window:

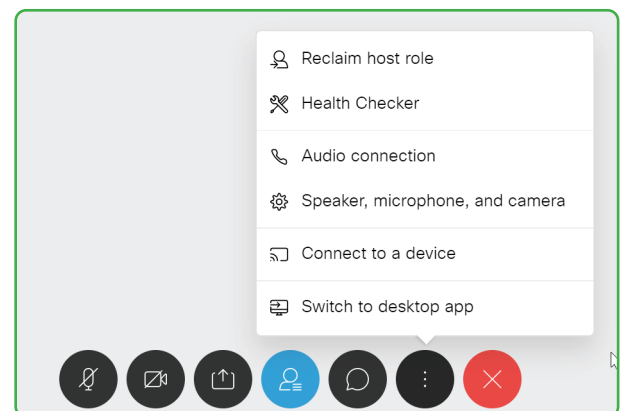

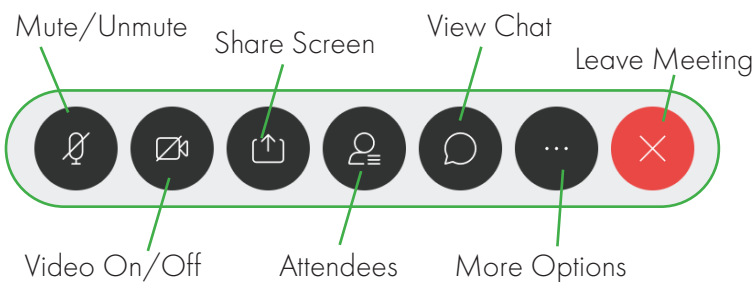

- 1 When prompted, click **Show me what's new**. This will take you through a few prompts to setup your Audio and Video settings.

- 2 Click **OK** to advance through the information prompts. If everything looks good, click **Join Meeting**.
