

Volunteering for Camp CHLA 2020

Past Camper,

We are so glad that you are interested in joining us again at Camp CHLA! Our volunteers are vital to the success of our program as they dedicate their time both during camp and behind the scenes. Every year, we have spots available for past campers to be a part of the Camp CHLA Team. Just like when you applied to camp, applying to be a volunteer is an equally competitive process with limited spots available.

We are looking for individuals that possess strong communication and organizational skills. You must be self-directed and proactive in assisting with various tasks in a team setting. You must demonstrate respect for others and natural courtesy in your daily interactions. Above all, you must be passionate about Camp CHLA's mission to inspire the next generation of health care leaders and be ready to represent Children's Hospital Los Angeles as one of the world's leading pediatric hospitals.
