

CERTIFIED MEDICAL CODER – ACADEMIC MULTI-SPECIALITY PHYSICIAN PRACTICE

Children's Hospital Los Angeles Medical Group, a 600+ physician academic practice affiliated with Children's Hospital Los Angeles, is seeking experienced Certified Coders for Pediatric Physician Surgical Coding.

The Certified Coder assigns ICD-10-CM diagnosis and CPT procedure codes and modifiers for professional surgical charges by medical record abstraction. Other skills include experience working with revenue cycle staff on denials management and coding quality control teams. The experienced coder will work well with physicians of different specialties, providing and accepting feedback on complex and/or challenging coding cases.

Candidates must have a minimum of three years progressive experience in sub-specialty physician surgical coding, pediatric experience is a plus. Previous ASC surgical coding a plus. **This is not an entry-level coding position.** Expertise in CPT, ICD-10-CM principles required. Knowledge of Medi-Cal/CCS billing guidelines is preferred. Sub-specialty coding in General Surgery is required. Must have current CPC, CCS, COC or CCS-P coding certification and ICD-10 proficiency.

Salary is commensurate with experience. We offer an excellent benefit package including medical, dental and vision insurance, and 401K. Qualified candidates should email their resume to pmghumanresource@chla.usc.edu . EOE
