

FOOD ALLERGY PARENT WORKSHOP

We are delighted to announce CHLA's second biannual **Food Allergy Parent Workshop**, hosted by the Division of Clinical Immunology and Allergy and the Gores Family Allergy Center. All workshops and lectures are **free** for registered participants. Availability is limited so **please RSVP**.

When: Saturday May 12th 2018, 9:15 am - 12:00 pm

Where: Children's Hospital Los Angeles

Marion and John E. Anderson Pavilion Conference Center (ground floor main hospital building)

4650 Sunset Blvd. Los Angeles, CA 90027

Welcome and Keynote Lecture: "Living with Food Allergy: Promoting Wellness"

Dr. Jennifer Hershfield (Licensed Psychologist, Gores Family Allergy Center)

Panel Discussion: "Family and Clinician Considerations for Oral Immunotherapy"

Participants can attend two of four offered workshops led by our allergy team members:

• Ask the Allergist

Led by: Dr. Jonathan Tam, Director, Gores Family Allergy Center Dr. Tam will be available for your questions during this informal session.

Why are Allergies Increasing?

Led by: Dr. Melinda Braskett, Associate Director, Gores Family Allergy Center Dr. Braskett will discuss the Hygiene Hypothesis and the findings of the LEAP study.

• Tuning up your Epinephrine Skills

Led by: Sarah Herr, Nurse Coordinator, Gores Family Allergy Center Hands-on workshop to practice and perfect your Epi-pen skills with all three versions on the market - to fine tune your technique and confidence to administer epinephrine.

• Growth: Too Much, Too Little, or Right in the Middle?

Led by: Jill Madison, Registered Dietitian/Nutritionist, Gores Family Allergy Center A look at childhood growth patterns and nutritional strategies to optimize proportionality.

Sign up/RSVP: GoresFamilyAllergyCenter@chla.usc.edu/323-361-8282
