Pediatrics in the Islands ... Clinical Pearls

June 27-July 3, 2020
Hyatt Regency Maui Resort & Spa

Pediatrics in the Islands ... Clinical Pearls 2020 will be held at the luxurious Hyatt Regency Maui Resort. There, a spectacular 40-acre setting on glorious Kaanapali Beach welcomes you to an oasis of endless sun and sea. The Hyatt, one of the top meeting and vacation resorts on Maui, is an idyllic location for learning and pleasure, combining elegant facilities with endless opportunities for outdoor activities. Stroll Kaanapali Beach for complete watersport activities or golf at one of Kaanapali’s two championship courses. All rooms offer breathtaking views of volcanic peaks and rich tropical splendor.

Conference sessions will be held on the mornings of Sunday, June 28 through Thursday, July 2. The conference ends at mid-day each day, leaving afternoons and evenings free for leisure activities.

The conference will provide a comprehensive review of selected pediatric topics for pediatricians, family practitioners, and other health care professionals who care for infants, children and adolescents. Our outstanding faculty — all nationally recognized in their respective specialty areas — will present current clinical challenges and recent advances in selected pediatric subspecialty areas.
