Important Note: The conference room block
at the Hyatt Maui is sold out.

Pediatrics in the Islands ... Clinical Pearls 2022 will be held at the luxurious Hyatt Regency Maui Resort. There, a spectacular 40-acre setting on glorious Kaanapali Beach welcomes you to an oasis of endless sun and sea. The Hyatt, one of the top meeting and vacation resorts on Maui, is an idyllic location for learning and pleasure, combining elegant facilities with endless opportunities for outdoor activities. Stroll Kaanapali Beach for complete watersport activities or golf at one of Kaanapali's two championship courses. All rooms offer breathtaking views of volcanic peaks and rich tropical splendor.

Conference sessions will be held on the mornings of Sunday, June 26 through Thursday, June 30. The conference ends at mid-day each day, leaving afternoons and evenings free for leisure activities.

The conference will provide a comprehensive review of selected pediatric topics for pediatricians, family practitioners, and other health care professionals who care for infants, children and adolescents. Our outstanding faculty — all nationally recognized in their respective specialty areas — will present current clinical challenges and recent advances in selected pediatric subspecialty areas.

Infants/toddlers (2 & under), not occupying a seat:

Free, but must be registered

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Pediatrics (AAP) and the California District IX, Chapter 2 of the AAP. The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 22.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 22.5 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 22.5 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

The AAFP has reviewed **Pediatrics in the Islands ... Clinical Pearls 2022** and deemed it acceptable for up to 22.50 Live AAFP Prescribed credits. Term of Approval is from 06/25/2022 to 07/01/2022. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Members of the College of Family Physicians of Canada are eligible to receive 22.50 Mainpro+® credits for participation in this activity due to reciprocal agreement with the American Academy of Family Physicians.

PAs may claim a maximum of 22.5 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society.

This program is accredited for 22.5 NAPNAP CE contact hours of which 0 contain pharmacology (Rx) content, (0 related to psychopharmacology) (0 related to controlled substances), per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

Disclosure of Financial Relationships and Mitigation of Conflict of Interest

The AAP Policy on Disclosure of Financial Relationships and Mitigation of Conflicts of Interest is designed to ensure AAP CME activities are balanced, independent, objective, scientifically rigorous and support safe, effective patient care. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and mitigated prior to an individual's confirmation of service at an AAP CME activity. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the views or policies of the AAP.
