# CLINICAL PEARLS

## Pediatrics in the Islands...Clinical Pearls 2020 June 27-July 3, 2020

The American Academy of Pediatrics and California District IX, Chapter 2 in association with Children's Hospital Los Angeles Medical Group are pleased to sponsor **Pediatrics in the Islands...Clinical Pearls 2020** on the island of Maui, Hawaii. This conference is intended to increase your knowledge and provide a comprehensive review of current issues and recent advances in selected pediatric subspecialty areas. Faculty members will discuss current clinical challenges via didactic presentations and roundtable discussions. Audience participation is encouraged throughout the course.

You should attend **Pediatrics in the Islands...Clinical Pearls 2020** if you are a pediatrician, family physician or other health professional who cares for infants, children and adolescents and are interested in enhancing your understanding of and developing solutions for the clinical issues you encounter in your daily practice.

### COURSE OBJECTIVES

At the conclusion of this activity participants should be able to identify, assess and manage common clinical issues in the areas of dermatology, emergency medicine, gastroenterology, infectious diseases and developmental-behavioral pediatrics including:

- Formulate safe and effective treatment plans for their atopic patients and use newer therapeutic options as appropriate.
- Discuss pharmacologic and non-pharmacologic treatments for managing pain in children.
- Utilize the most recently published diagnostic criteria to differentiate functional from organic causes of abdominal pain in childhood.
- Compare and contrast the TST (tuberculin skin test) with IGRAs (interferon-gamma release assays) and select the appropriate test for a child with risk factors for tuberculosis infection.
- Recognize the common symptoms of adjustment reactions in children and adolescents that may occur in response to a crisis.

A complete listing of course objectives and materials will be available at the **Pediatrics in the Islands...Clinical Pearls 2020** conference.

### ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Pediatrics (AAP) and the California District IX, Chapter 2. The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 22.50 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 22.50 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

Successful completion of this CME activity, which includes participation in the activity, and individual assessment of and feedback to the learner, enables the learner to earn up to 22.5 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

This Live activity, **Pediatrics in the Islands...Clinical Pearls 2020**, with a beginning date of June 27, 2020, has been reviewed and is acceptable for up to 22.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Members of the College of Family Physicians of Canada are eligible to receive 22.50 Mainpro+® credits for attendance at this meeting due to reciprocal agreement with the American Academy of Family Physicians.

PAs may claim a maximum of 22.5 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*<sup>™</sup> from organizations accredited by ACCME or a recognized state medical society.

This program is accredited for 22.50 NAPNAP CE contact hours of which 0 contain pharmacology (Rx) content, (0 related to psychopharmacology) (0 related to controlled substances), content per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

#### Disclosure of Financial Relationships and Resolution of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities. **The content of this CME activity does not necessarily reflect the views or policies of the AAP.**

## Travel & Accommodations

To make your reservations at our special, discounted rates, please visit our travel website at [www.PediatricsHawaii.com](http://www.PediatricsHawaii.com)

### Hyatt Regency Maui Resort

Located on popular Kaanapali Beach, the Hyatt Regency is one of Maui's leading luxury resorts. The grounds are a paradise of ponds, lagoons and tropical gardens inhabited by exotic swans, flamingos, penguins and parrots. The free-form swimming pool, one of Maui's largest, is lined with rope bridges, waterfalls, grottoes and waterslides. Guest rooms are comfortably appointed, each with a private lanai. Features such as a multi-million dollar art collection and a unique variety of boutiques and restaurants lend to the ambiance. Activities available include tennis, golf at Kaanapali's two courses and a fitness center. Children will enjoy a variety of daytime activities offered at Camp Hyatt. The location is ideal to visit Whaler's Village, a popular Kaanapali attraction, and nearby Lahaina Town, with its myriad of shops, restaurants and boutiques.

**Regency Club** - Upgrade to the Hyatt's Regency Club at special group rates. Regency Club privileges include continental breakfast, daily and evening buffet services, beverages and more.
