Pediatric Potpourri®: State of the Art 2019

February 2-8, 2019
Westin Maui Resort & Spa

Pediatric Potpourri®: State of the Art 2019 will be held at the Westin Maui Resort & Spa. Located on popular Kaanapali Beach, a short drive from colorful Lahaina, the Westin welcomes you to an oasis of endless sun and sea. The Westin is an idyllic location for learning and pleasure, combining elegant facilities with endless opportunities for outdoor activities. Five lagoon style pools are linked by waterfalls, slides and grottos, surrounded by spacious sun-bathing decks. Stroll out to the beach for complete watersport activities, golf at one of Kaanapali’s two courses and enjoy the carefully landscaped grounds and gardens. Whaler’s Village, next to the Westin, offers a unique assortment of shops and restaurants.

Conference sessions will be held on the Sunday, February 3 through Thursday, February 7. The conference ends at mid-day each day, leaving afternoons and evenings free for leisure activities. (Saturday, February 2 and Friday, February 8 are typical arrival and departure dates. No course sessions are held on these days.)

Our conference will provide a comprehensive review of selected topics in pediatrics for pediatricians, family physicians, and other health care professionals who care for infants, children and adolescents. Our outstanding faculty — all nationally recognized in their respective specialty areas — will present current clinical challenges and recent advances in selected pediatric subspecialty areas. Faculty members are:

Deborah Lehman, MD
Infectious Diseases
Professor of Clinical Pediatrics and Assistant Dean for Student Affairs, David Geffen School of Medicine at UCLA
Division of Infectious Diseases,
UCLA Mattel Children’s Hospital

Patricia A. Treadwell, MD
Dermatology
